

Dan Stalp has over 23 years of experience leading, training, and coaching high performing individuals.

He has risked everything and completely started over twice career wise, once in 1993 and most recently in 2005.

Dan has co-authored two books "The Reunion" and "Another Reunion" about career significance and how being grateful plays an instrumental role in being the best you can be.

When not being mistaken for a certain Hollywood movie star, Dan and his wife Lisa are traveling to Dallas Texas and to Fayetteville Arkansas to visit their two grown daughters. Or they are attending high school football, rugby, baseball, and lacrosse events for their two sons.

Speaking to us today is Dan Stalp, President of Sandler Training from the Kansas City area. Please help me welcome him!
