

# Together, we can make good happen

Helping your organization succeed through  
a healthy, productive workforce.

**HealthPartners**  
**UnityPoint Health**

# Coming together to improve health

UnityPoint Health and HealthPartners have joined forces to give Iowa a new choice for health care. We're passionate about partnering with employers to rise above the challenges we all face with finding quality health care that's affordable.

# A health solutions organization

Driving innovation with best-in-class care delivery and expert plan administration.

## FULFILLING THE TRIPLE AIM

### HEALTH

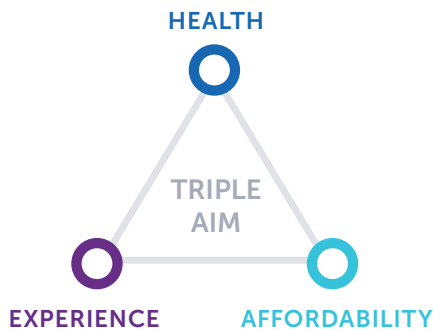

Supporting success by delivering comprehensive experiences that enable productivity and wellness.

### AFFORDABILITY

Using data-driven insights to identify opportunities and intentionally build solutions that drive innovation and measurable change.

### EXPERIENCE

Providing personalized support that engages and activates healthy lifestyles and meets individual needs.

# Supporting health and well-being

## BUILDING HEALTHY COMMUNITIES THROUGH:

- Improving total population health
- Leveraging HealthPartners 60+ years in health plan administration and financing
- Building on UnityPoint Health's deep care delivery and health management knowledge

## CARE + PLAN INTEGRATION EXPERTISE

**MEDICAL**

**HEALTH AND WELL-BEING**

**WORKSITE HEALTH**

**PHARMACY**

**INSTITUTE**

# Engineering a better health solution

In partnership with you, we'll design a solution based on your organization, and deliver custom programs to engage your employees in their health and job satisfaction.

## **Total cost management**

Partnering with providers to make health care more affordable

## **Quality improvement**

Using actionable data to improve results by focusing and prioritizing key opportunities

## **Operational excellence**

Enabling administrative capabilities and systems that support easy-to-use, connected experiences

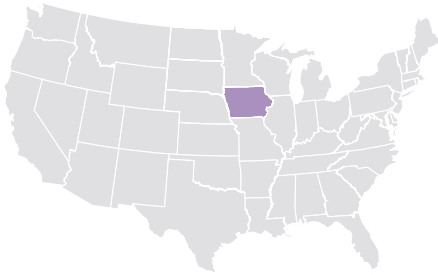

Together, we'll produce better outcomes at a lower total cost.

# A local plan with national reach

Administering health plan coverage and claims processing coast to coast through our strategic collaboration with providers, we deliver a singular experience to the members we serve.
